

# IFOS®

*A Barouk Legacy*

Postoperative Forefoot Offloading Shoe

## TECHNICAL SPECIFICATIONS

The IFOS® made in France by Romans Industrie presents the following features:

- Patented geometry combining natural gait and forefoot offloading.
- Rigid upper sole avoiding any metatarsophalangeal joint flexion
- Light and smooth lower sole ensuring cushioning and confort during the walk.
- Upper shoe volume adapted to any type of operated foot
- Clinically tested materials.
- Sizes : 35/36 — 37/38 — 39/40 — 41/42 — 43/44 — 45/46.

## INDICATIONS

The IFOS® by Romans Industrie is recommended for numerous therapeutic uses when forefoot offloading and forefoot immobilization are needed:

- Postoperative forefoot surgery treatment.
- Post traumatic forefoot treatment.
- Each acute, inflammatory, painful, oedematous state that needs forefoot offloading or forefoot immobilization.
